**1. Purpose**

The Mountain Home Urban Renewal Agency (“MHURA”), an Independent Public Body Corporate and Politic, is soliciting proposals for the redevelopment of the property owned by MHURA located at 295 N 2ND E in Mountain Home, Idaho.

The property is more particularly described as:

Lots 13 -19, Block 3, Mountain Home Townsite, Mountain Home County, Idaho, with Parcel ID #RPA0090003013A. A Site map is attached as Exhibit A. The property is hereinafter referred to as the “Site.”

**2. About MHURA**

MHURA is the Urban Renewal Agency of the City of Mountain Home that oversees the downtown urban renewal district, with the charge to improve infrastructure, enhance long-term growth of the tax base, and assist in the redevelopment of deteriorating areas. A five-member Board of Commissioners currently governs the MHURA, which desires to invest resources in creating a distinctive and attractive public realm for private development in Downtown Mountain Home.

MHURA is seeking to create a lively, pedestrian-oriented, mixed-use urban center that includes retail, office, cultural and entertainment opportunities, and new residential housing.

**3. Project Summary and Site Information**

The existing property proposed for redevelopment is a 24,468 sf, single-story building with basement on 0.482ac of property located in the heart of downtown Mountain Home and surrounded by newly improved streets and sidewalk. The subject property proximity is just

north of the newly constructed Hub Plaza (see Exhibit C) and near Railroad Park (see Exhibit D). Further the subject property is within walking distance to many local restaurants, exercise facilities, retail establishments, and commercial offices.

The Mountain Home Urban Renewal Agency spent approximately \$700,000 to purchase the vacant Kings Building and renovate it in 2012. Beall's Department Store leased it until February 2020. The building is currently vacant. For this location, the MHURA is seeking to provide commercial retail or entertainment to the City's urban center. The property is currently zoned C-2, Central Business, and is governed by Title 10-4-7 of Mountain Home City Code.

## 6. Basis for Selection

The items below are not requirements, are in no particular order, and are not weighted on any scale. MHURA is interested in learning about all ideas for the Site and will accept and review all proposals by the project deadline that meet minimum requirements.

- a. **Similar Portfolio**- Respondents who have worked on projects of similar scale, cost, context, and use are preferred.
- b. **Context**- Preference will be given to projects which maintain urban form and density and preserve the historic character of Downtown Mountain Home.
- c. **Activity**- Projects that bring retail and entertainment downtown are preferred.
- d. **Investment**- Projects which will bring more investment to downtown are preferred.
- e. **Catalyst Potential**- Projects which leverage the assets of the area including the Hub Plaza (see Exhibit C) and Railroad park (see Exhibit D) and are likely to be complementary are preferred.

## 7. Selection Process

The MHURA anticipates a three-step process for selection of a developer/project team for the Site.

- a. **Request for Proposals**- A summary of this RFP will be published in the Mountain Home News, posted online, and noticed to known and interested parties. The RFP submissions must be submitted on or before February 26, 2021, at 5:00 PM MST.
- b. **Evaluation and Award of Proposals**- The proposals will be considered by the MHURA Board Chair and City of Mountain Home Community Development Staff. Proposals deemed complete will be distributed to the MHURA Board. Respondents may have an opportunity to present their proposals to the MHURA Board. The review process is an evaluative assessment of the potential of each proposal to strengthen and revitalize downtown Mountain Home.

Upon award of the proposal by the MHURA Board, an Agreement to Negotiate Exclusively will be negotiated to be followed by a Disposition and Development Agreement. During this process, Respondent will be asked to provide additional information to assist MHURA in approving final terms of the agreement.

- c. **Agreement to Negotiate Exclusively (ERN)**- The successful Respondent shall be required to sign an ERN within thirty (30) calendar days after the date the successful Respondent is notified by the MHURA of their successful selection. If, after good faith efforts by both parties an ERN is not completed, the rights and obligations of both the Respondent and the MHURA shall be deemed to be terminated. The subsequent Disposition and Development Agreement (DDA) will likely contain a performance obligation of the Respondent on terms that are satisfactory to the MHURA and will include obligations related to timeline,

eligibility, but MHURA will evaluate the request to make the document/page exempt if the content meets the legal requirement otherwise the document will be considered public.

MHURA's disclosure of documents or any portion of a document submitted and marked as exempt from disclosure under the Idaho Public Records Law may depend upon official or judicial determinations made pursuant to the Idaho Public Records Law. It is expressly understood that the MHURA will have no liability for the disclosure of any public information.
